As you can tell from the time, I haven't had a chance to review. So you have it to mention at today's brief to at least check in to see if we're going in the right direction...

Mary liked the issue paper but had 2 suggestions: 1)

I've also tried to address the other comments I've seen from everyone this morning (thanks everyone!). Please see both "clean" and "markup" attachments.

Cathy/Kathy – If you're OK with this version, can you forward it to David Ross' office, John Goodin et al?

Here are my edits, comments and questions. I know my edit on the path forward with the COE is very specific, but I think we need to reach closure on what can be done quickly here.

Thanks Kathy. I spoke with Cathy this afternoon to better understand what the Administrator expects.

It's 1.5 pages, but before trying to whittle it down I thought I'd share it and get your thoughts. I'll be working early tomorrow and am prepared to work closely with you to hopefully knock-out an issue paper that we're all comfortable with by the time we brief David Ross. I'm also copying Phil, Rosemary, Matt and Simma, as they haven't seen this yet.

Feel free to call me

So, Tom, this is similar to what we've been instructed is the format (meaning brief, lots of white space, etc) for administrator briefings.

I tried to put it all on one page and did not succeed; mostly because

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Since this will be a R4 brief for the administrator (I think based on the latest intel); I hand this over to you with the best wishes to get this onto one page and include whatever else R4 wants to include.
